

Sir John Cass's Foundation and Red Coat CofE Secondary School & Sixth Form

We will achieve excellence and inspire generations the Cass Way
Headteacher: Mr P. Woods

13 September 2019

Dear Colleague,

Thank you for showing an interest in our school and in joining us as the Head of Art & Design Technology. I joined this wonderful school community as Head teacher in September 2016 and I can honestly tell you that it is an extremely hard working and joyful place to work.

You will find a detailed job description in your pack. Currently we have 1500 students on roll and a combined staff of over 200. This figure includes our large and heavily over-subscribed sixth form.

Our vision is to 'achieve excellence and inspire generations the Cass way'. I expect all our teachers to be outstanding in the classroom and highly skilled communicators with an innate and highly developed ability to enthuse students and deliver outstanding results. Our progress in the summer 2019 series of examinations was +0.6. As a Head of Faculty you will need to demonstrate you understand what it takes to be a teacher and a leader who can deliver in their own classroom, as well as leading a team of teachers.

If this sounds like you then please don't hesitate to get in touch with my PA Karen Dalton, to arrange either a chat on the phone or an informal visit to the school.

Thank you once again for showing an interest and, if you do decide to apply, I look to receiving your application.

Yours sincerely

Paul Woods
