Uniform List

I would like to take this opportunity to remind parents that all students must wear the full and correct uniform for school, school occasions and PE lessons, however given the current situation there will be some flexibility in the PE kit uniform items until we have the full uniform in stock. The uniform list and information relating to uniform can be viewed on the school website <https://stepneyallsaints.school/for-parents/school-rules-and-information/uniformequipment-list/>.

Size Guide and Exchanges

Please use the measuring guide below to identify the best fit of uniform for your child when placing the order. Should your uniform item arrive and be incorrect in size, we will offer an exchange within 14 days of you receiving your uniform items, provided the items are returned in a good condition with all labels attached

Size Guide

1. **Height** – This is best done barefoot, with feet together flat on the ground and back against a wall; measure from the top of the head to the ground.
2. **Neck** – Place the tape measure where the shirt collar would normally sit around the base of the neck. Leaving a little extra room is very important so that the collar is comfortable, so make sure not to pull too tightly.
3. **Chest** – Take the tape measure through the underarms, around the fullest part of the chest.
4. **Waist** – Measure around the natural waistline, not pulling too tightly to ensure comfort.
5. **Hips** – Standing straight with the heels together, take the tape measure around the fullest part of the bottom.
6. **Inside leg** – This time shoes on; measure from the inside leg to where the trouser is normally worn on the shoe. If you're unsure, trousers should sit approximately 5cm from the ground.
