Dear Parent/ Guardian,

I hope this letter finds you and your families well.

We are now nearing completion of our final assessments and I am pleased to inform you that the process has gone well and our students are to be commended for the way they have conducted themselves.

I wanted to take this opportunity to outline the activities of the next few weeks, which focus on transition to our sixth form or another College.

Students continue to be on study leave until the 21st May by which time all students will have completed their final assessments. Students who have not completed their vocational course will be timetabled to come into school.

From Monday 24th May – Friday 28th May all year 11 students will complete online learning activities and classes that will support their transition to our sixth form or college.

When we return after the half term holiday, students who have been offered a place in our sixth form will be invited into school for a transition week

## Key dates
