

# Stepney All Saints School

We Learn Together | We Pray Together | We Achieve Together

Headteacher: Mr P Woods

16<sup>th</sup> November 2021

Dear Families,

As you are aware we were inspected by Ofsted on the 13<sup>th</sup> and 14<sup>th</sup> October. Last week we received the final report which I share with you today.

I am delighted to report that **“Stepney All Saints Church of England Secondary School continues to be an outstanding school.”**

I could not be more proud of our staff and students and am pleased that students feel equally “proud of their school.”

The report that is issued under this new framework is much shorter than in previous years and is aimed primarily at parents to give them an indication of what the school is like. A few key points include:

- “pupils appreciate the intellectual challenge and personal encouragement that staff give them.”
- “pupils know that teachers care about their well-being.”
- “pupils behave extremely well in lessons and around the school”
- “pupils have access to a broad range of enrichment opportunities.”
- “pupils are encouraged to become experts in different subjects.”
- “pupils with special educational needs and/or disabilities (SEND) follow the same curriculum as their peers. They achieve highly and receive the right support so that they can thrive.”

In short, the inspectors found that as a school we are outstanding in all areas inspected which is a fantastic accolade for our school.

I trust you will enjoy reading the report and, should you have any questions, please not hesitate to get in touch.

Kind regards

Paul Woods  
Headteacher
