We Learn Together | We Pray Together | We Achieve Together

Headteacher: Mr P Woods

3<sup>rd</sup> February 2022

Dear Parent / Carer,

I would like to invite you to the **virtual KS4 Options Evening** at which you and your child can learn more about the GCSEs and /or vocational courses they will follow for the next two years, when they are in Year 10 and Year 11.

The KS4 Options evening will take place on **Wednesday 23rd February from 4.00-6.00pm**, as this evening will be a virtual evening, everything will run through your child's **Year 9 Google Classroom**. Here they will find the timetable with hyperlinks for the presentations and **Google Meet links** for the live presentations. It is advised that you access the presentations via your child's school laptop for ease of use.

The evening will provide an opportunity for both you and your child to find out more about the options process and have informed discussions with teachers about which subjects s/he is interested in. You will also have the opportunity to hear from the school's Careers Manager, Mr Uddin.

A timetable has been printed overleaf, which contains the times when the subjects will be delivering their live presentations. You will notice that subjects will be presented live more than once over the course of the evening which will allow you the opportunity to see as many different subjects as possible. This includes core subjects such as English, Maths, Science and languages that your child is currently studying. To get the most out of this evening;

- We recommend that you agree with your child about the subjects you want to see in *order of time*
- Plan questions that you may have so that you can ask these in the message box during the presentations (these should *not* be specific to your child)
- When the subject leaders are not presenting, they will be available until 5.55pm via e-mail to answer any questions you may have and *these may* be specific to your child. Their email addresses will be in the KS4 Options Booklet.

By Friday 11<sup>th</sup> February, your child should have received a copy of the KS4 Options Booklet, which describes the curriculum that is currently on offer. A digital copy will also be available on the school website. Please take the time to read the booklet and discuss the courses with your child, as they will take part in a **mock Options process** in the week after the Virtual Options Evening. This will help us decide on which courses should run, so it should be taken seriously before the Options application opens in April 2022.

## **Key dates**

Headteacher: Mr P Woods

<b>2nd March 2022</b>	Yr9 Options Taster Morning
<b>4th March 2022</b>	Mock Option choices (7-day window)
<b>April 2022</b>	Options application opens (14-day window)
<b>Late June 2022</b>	Pupils will be informed of their Option choices for 2022-24

Please support your child by attending the virtual KS4 Options evening and we are confident that you will find the evening a valuable experience to help you and your child make informed choices and look forward to seeing you.

Yours sincerely,

**Mrs S Begum** - Assistant Headteacher

**Mr S Fuller** - Head of Year

- Please note that the Google Meets links will be added at a later point and this timetable will be uploaded onto your child's 'Year 9' Google Classroom and will also appear on the school's website.
- On the evening itself, to access the live presentations you will need to click the blue hyperlink under the subject - it is important that your child is logged into their school G-mail account, access will not be granted unless this is the case.
