### Full PE Kit

### Boys Swim Kit

### Girls Swim Kit

### Sanctions and injuries:

- A 30-minute detention will be given if a student does not bring their full and correct PE Kit
- A one-hour Head of Department detention will be given if a student forgets their kit a second time and parents will be contacted.
- In the event of injury, students must have a note from their parent/guardian and bring their full PE kit to the lesson; they will not have to participate practically in the lesson. If a student fails to bring a note or their kit they will receive a 30-minute detention.
- In the event of a long term injury, if a doctor's note is presented to the class teacher, stating how long a student cannot participate for, then the pupil will not be expected to bring in notes for future PE lessons, until they are able to participate again.
- If you have any problems with your kit you must see your teacher before the start of the school day or on a day before the lesson

### Behaviour and Participation:

- Students are expected to participate in PE lessons to the best of their ability. If a student has an injury then they must follow the guidance above, but will still be involved in the lesson as a coach or referee, or they may complete a non-participant worksheet.
- Refusal to participate in any part of a lesson will result in a 30 minute detention after a warning from the PE teacher. Refusal to participate in the whole lesson will lead to a one hour HOD detention.
- Persistent poor behaviour, effort or organisation will lead to being placed on subject report and a parental meeting.
- Students who choose to change into their PE kit must be changed, lined up and registered in the sportshall by 10 minutes into the lesson maximum. A detention will be set for students who fail to comply with this rule.
