Dear Student,

Re: June 2023 Examination timetable – Year 8

The timetable for the Year 8 examinations in June 2023 is on the reverse of this letter. The window for the Y8 examinations will be from 19th to 22nd June 2023. Please note down the relevant dates and times and ensure that you are properly prepared for each examination. Topic checklists was posted on the Year 8 Google Classroom and your subjects will provide individual support.

These exams are organised and run the same way that public examinations are so strict examination rules apply.

We expect that all students bring at least two black pens (one spare) for all examinations and any other necessary equipment, such as a calculator and pencil. Under no circumstances must you take a mobile phone or any digital devices with you in the examination room. Bottles of water (labels must be removed) may be taken into the exam hall. Under new exam regulations, watches of any type are not permitted in the exam room.

For all examinations, the following procedures apply; For **AM exams go to your form room as normal**, your form tutor will bring you down to the examination room at 08:50. **For PM exams please go straight from lunch to your examination room at 13:55**. It is vital that you arrive for your examinations on time. All students are expected in lessons as normal when there is not an exam scheduled.

Exams will be held across various rooms. The Exam team will post up rooming and seating arrangements on the Exam noticeboard and also in your form rooms so please keep an eye out for this.

Students with Access Arrangements, will sit all exams in allocated rooms and will be provided with the necessary support by the SEND Department.

All the best with all your examinations; I hope you will prepare thoroughly and make this a positive end to the year.

Yours Sincerely

Ms A Lemaire
