NOV 9TH

STEPNEY ALL SAINTS SCHOOL

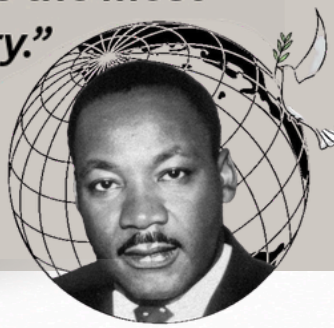

THE THEME THIS WEEK IS "LIBERTY"

This week we reflect on words quoted by Jesus in the New Testament: ***"The Lord has sent me to bind up the broken-hearted, to proclaim freedom for the captives and release from darkness for the prisoners."***

Martin Luther King Jr., the American Baptist minister and civil rights leader, said, ***"As long as the mind is enslaved, the body can never be free. Psychological freedom, a firm sense of self-esteem, is the most powerful weapon against the long night of physical slavery."***

Martin Luther King reminds us that freedom is also about believing in our own worth and knowing that we deserve to be treated with dignity and respect.

Year 8 Students Represent Stepney All Saints at Salesforce Black History Month Event

Five of our Year 8 students had the fantastic opportunity to represent Stepney All Saints School at a special Black History Month event hosted by Salesforce, one of the world's leading technology companies. Held on the 34th floor of Salesforce Tower in Bishopsgate, London, during the half-term holidays, the event brought together young people, professionals and distinguished guest speakers for a series of inspiring discussions.

Our students explored:

- The growing role of artificial intelligence in education
- The importance of professional networking
- Career opportunities
- The value of diversity and representation in the modern workplace

Throughout the event, our Year 8 students demonstrated exceptional maturity, confidence and enthusiasm, actively contributing to discussions, asking thoughtful questions and engaging with speakers and fellow participants.

They were outstanding ambassadors for Stepney All Saints, representing the school with professionalism and pride.

Well done to **Amani Amin, Mariam Vazquez, Mohammad Umar Uddin, Yusha Iqbal** and **Yunus Mohammed** for making the most of this wonderful opportunity!
